DECISION

1. Conwy County Borough Council (the Applicant) is the local housing authority for the district in which the following properties (the Properties) are situated:

1, Maelgwyn Road Llandudno LL30 2YN

14B, Harcourt Road, Llandudno LL 30 1TU

17, Chapel Street, Llandudno LL30 2SY

12, Bodhyfryd Road, Llandudno LL30 2DT

10, Bodhyfryd Road, Llandudno LL30 2DT

8, Bodhyfryd Road, Llandudno LL30 2DT

2. The Properties are converted into self contained flats and fall within the definition of houses in multiple occupation (HMOs) They are located in Llandudno within the area identified in the licensing scheme made by the Applicant on 29th June 2013

3. Mark Thorogood (the Respondent) of Townsend House Townsend Beaumaris being the person having control of or managing the Properties being HMOs has been convicted in the Conwy Magistrates' Court of failing to comply with the requirements of the Housing Act 2004 contrary to S72 Housing Act 2004 in that he failed to license the Properties as HMOs as required, the Properties being in an area designated as an area subject to additional licensing. The scheme known as the Conwy County Borough Council Additional Licensing (Houses in Multiple Occupation) Scheme 2013 was effective from 1st October 2013. Details of the conviction are set out in Schedule 1

4. The Properties have been occupied throughout the 12 months prior to this application by tenants who have been in receipt of Housing Benefit (local housing allowance.) The sums paid by the Applicant to the Respondent in respect of such benefit during the twelve month period during which the offence was being committed amounts to £47,998.5 and is made up as set out in Schedule 2

5. It was submitted by Ms Longsworth solicitor on behalf of the Applicant that following the Respondent's conviction in the Conwy Magistrates' Court the Applicant served on him, as the appropriate person, notice of these intended proceedings in the correct form (dated 15th May 2015) giving notice of their intention to make this application, setting out the reasons they proposed to do so, stating the amount they sought to recover and how the amount was calculated and inviting the Respondent to make representations within a specified period of not less than 28 days. She said that no response was received from the Respondent within the specified period or at all. In these circumstances she submitted that the Applicant was entitled to recover a sum equal to the Housing Benefit paid calculated back for 12 months from the date the Applicant gave notice of intention.

6. The Respondent , who appeared in person, said that, as a private landlord he felt that he was a victim of the system . He did not challenge the assertion by the local authority that it had tried to engage with him in correspondence about the requirements of the system of registration of HMOs in Conwy .He said believed that he was sensitive to the needs of people in the locality who needed to be housed and considered he had done his best to deal with the relevant compliance issues. He said he owned many properties in the locality and had struggled financially in recent times following difficulties which he had faced in his financial services business. Notwithstanding all these matters, he said that there were no major problems with any of his properties; the housing he provided was of good quality and was well managed.

7. He acknowledged that the Applicant had complied with all the relevant statutory requirements and that he had been convicted in the Conwy Magistrates' Court as stated by the Applicant. Also, he did not dispute the amount of the housing benefit paid and now being reclaimed

by the Applicant. He considered that the Applicant had acted properly , had served the appropriate notices and that the money claimed was correctly due.

8. The Respondent told the Tribunal that he was still in financial difficulties and had entered into an IVA. The recent events had been very stressful and had impacted badly on him personally.

9. The Tribunal is satisfied on the evidence that the Respondent has been convicted of a relevant offence in relation to the Properties, that housing benefit has been paid in respect of periodical payments payable in connection with the occupation of the whole or part of the Properties during the period of twelve months that such offence was being committed in relation to the Properties.

10. The Respondent did not challenge the amount of housing benefit paid by the Applicant to the tenants during the relevant period. The tribunal accept the Respondent's evidence that he has experienced financial difficulties and various associated problems. He has clearly experienced many difficulties in recent times, However, the Respondent did not submit (and we do not find) that these matters represent exceptional circumstances rendering it unreasonable for the Respondent to be required to pay the sum claimed. In the circumstances, we make an order that the Respondent pay to the Applicant an amount equal to the amount of housing benefit claimed by the Applicant for the relevant period

11. It is ordered that the Respondent pay to the Applicant the sum of £47998.50 by 12 noon on Friday 12th February 2016

Dated this 18th day of November 2015
